Webinar

A *Dementia Journey* Seminar Series

Join us to learn from the real-life dementia journey of Bob Rodreick who lived with Alzheimer's. It's a true story. It's presenter Timothy Roderick's story....it's his family's story.

"Have You Met Bob?"

Friday, July 9, 2021

10 a.m. – 11:15 a.m.

Learn about how Tim and his family members started suspecting his father's memory loss and the behaviors Bob was exhibiting

may be an early sign of Alzheimer's. Tim will share his personal experience as Jill Gafner Livingston explains what happens to persons living with Alzheimer's in the early stages of the disease

"Do You Know Bob?"

Friday, July 16, 2021

10 a.m. – 11:15 a.m.

Bob's behaviors were continuously changing. His family found it increasingly difficult to manage the behaviors and

feared for Bob's safety living alone. During this webinar, Jill Gafner Livingston will explain what physical, behavioral and emotional changes which commonly occur in the middle stages of Alzheimer's.

"Now You Know Bob"

Friday, July 23, 2021

10 a.m. – 11:15 a.m.

During this webinar, Jill Gafner Livingston will explain what commonly occurs in the latter stages of Alzheimer's and how families can

prepare for this stage of the disease process.

Come to one or come to all three.

Call 586.795.0998 or e-mail SterlingHeights@arden-courts.com to register and receive the webinar link for these events.

All events will be co-presented by:
